OUTCOMES
(Give brief
Description in 100
words)

The event received good response. More than 60 participants actively attended the program. The informative oratory talk delivered by Dr. Vishal Patil covered the entire story of the pandemic starting from its outbreak, spread, casualties, consequences, vaccination, precautions, myths, and forthcoming challenges. Students came up with their queries followed by a healthy interactive question hour. The girl students questioned Dr. Vishal with their doubts regarding vaccination. A lot of precautionary measures were suggested by Dr. Vishal. He discussed in detail about the delta strain of corona virus and its challenges. Vice-Principal Dr. M. K. Patel introduced the college to the guests of honor while Principal Dr. R. S. Patil presided over the function.
In his speech Dr. Patankar highlighted the motives of Microbiology Society of India and the activities therein.
