Intellectual Property Right

Intellectual Property Right (IPR) is an exclusive right implemented by Government of India for shielding the novel innovations of original researchers. The various aspects such as Patent, Trademark, Trade crates, Industrial design, Layout design and Copyright are protected under intellectual Property rights as well as it maintains quality, safety, efficacy and services of the patented products. The IPR certifies the creation by the researcher and introduces these in world market. The exclusive intellectual right over the invention will provide to the inventor for the specific period. In this e-seminar the eminent speakers will elaborate the various aspects of IPR and the process involved to avail these.
