e-Seminar on 'Pandemic & Literature'

Literature is the mirror of society. Whatever changes take place in nature and culture are immediately reflected in the Literature. Pandemic Covid-19 has a great impact on humanity. It created chaos and signs of future hazards. This pandemic reminded us of the memories and accounts of past pandemics. It reminded us that history repeats itself. Historical records provide us with the causes and origin of pandemics. It provides the data and statistics of the loss and death in the pandemic. Literature provides a humanistic approach to life in and after the pandemic. It represents the human struggle and fathomless sea of sorrow.

We are pleased to announce that the **Department of English**, Shri S. I. Patil Arts, G. B. Patel Science & STKVS Commerce College, Shahada Dist. Nandurbar(M.S.) India, is organizing a ONE DAY NATIONAL eSEMINAR by ONLINE MODE on 'PANDEMIC & LITERATURE' on 27th March 2021 at 11.00 A.M.
