***6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities (2016-21)***

The college reviews its teaching-learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC.

The analysis of the effectiveness of teaching learning is made through the stakeholder's feedback mechanism. IQAC prepares various feedback forms, collects structured feedback on review of syllabus and prepares inclusive feedback report of the college and if necessary communicates to affiliating University for further improvement and implementation.

Student learning outcomes are reviewed through class tests, assignments, class seminars, field projects, review of research papers/books, open book tests, internal assessment tests, and university examinations. University result analysis is discussed in IQAC/CDC, meetings for further improvement and implementation. This helps in identifying the slow and advance learners. Review of Lectures and Assignments is monitored and necessary quality improvement inputs are communicated to the concerned teachers.

**Post accreditation quality initiatives through IQAC includes:-**

In terms of quality initiatives and improvements made after post accreditation are as follows:

- 1) Introduction of Certificate Courses in Microbiology, Horticulture, Communication Skills etc.
  - 2) Introduction of M.Sc. in Mathematics.
  - 3) Introduction of B.Voc. Courses in Soil and Water Conservation, Financial Management.
- Along with this IQAC monitors the Online and Virtual Conferences, seminars and workshops on skill based, career counseling for teachers and students, Automation of Library services, Upgradation of the college website from static to dynamic.
