### **7.1.5 – Green campus initiatives**

#### **1. Restricted entry of automobiles**

The use of vehicles in the campus is strictly banned. The security guard at the gate monitors the same during college hours. This has helped to reduce carbon emissions in the campus and to maintain an eco-friendly environment in the campus. The oxygen availability in the campus area has enhanced due to lot of plantation. 'Say No' to vehicle banners are displayed at the entrance. This has restricted the entry of automobiles in the campus.

#### **2. Use of Public Transport by Students**

Most of students in the college have to use public transport as their means of conveyance because they live in nearby villages. Most of the students come from the tribal areas which are connected by buses or private taxi. The students reach college either by state transport buses which run during the college timings for student facilitation.

#### **3. Tree Plantation Drive**

Trees are planted every year in the month of July by the plantation drive organized by the college for staff and students. Tree Plantation Drive was organized on 18<sup>th</sup> and 19<sup>th</sup> July 2021. A report of the same is enclosed. Students Teaching and non-teaching staff, Principal,, Vice-Principal, Management, Coordinator of our college and Principals of sister colleges participated in this drive. Plants on either side of the roads not only add to beautification but also help in maintaining a promising O<sub>2</sub> level in the environment. This provides a healthy environment for students and staff. Many plants of herbal significance also exist in the botanical garden. The trees are labelled with small boards giving their vernacular and scientific names and other details. A report of list of tree is enclosed with this report.

#### **4. Ban of Plastic in the campus**

Plastic use is totally banned in the campus. Students and staff take a pledge to that effect every year. Plastic wrappers are properly disposed and those found guilty have to pay fine as decided by the Principal and higher authorities.

#### 5. Anti-tobacco Pledge

A pledge to ban consumption of tobacco in any form was taken by all in the college including students and staff on 30<sup>th</sup> January, 2022, on the occasion of death anniversary of Mahatma Gandhi-Father of the Nation. 647 individual pledged not to consume tobacco and they were awarded certificate for the same.
