Principal: Prof. Dr. Rajendra Shankarrao Patil, M.Sc., M.Phil., Ph.D.

## 7.1.7Disabled friendly and Barrier free Environment

The college has made facilities for physically disabled students for their easy access to the classrooms. Ramps are constructed in areas connected to classroom building as well as research building. This facility helps the physically disabled students to reach their classrooms and laboratories with ease. Scribes are provided the students with prior permission of the university after the candidate has received a permission letter to that effect. Display boards and sign boards are provided at various places in the campus for any one visiting the college as well as for the easy access to classrooms as well as laboratories.
