

7.1.8. Inclusion and Situated-ness

To promote inclusion of economically backward students Earn and Learn Scheme is run in the college. This not only inculcates the sense of independence amongst the students but also helps them to earn a reasonable amount every year to buy books, laptops necessary for their education.

National Mathematics Day was celebrated on 22nd December, 2021 to develop keen interest amongst the students regarding various aspects of Mathematics. The motive was to inculcate liking for the subject amongst students as well as to remove the fear of Mathematics from their minds.

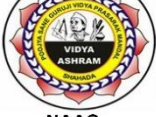

International Hindi Day was celebrated on 10th January, 2022 to promote the significance and use of the language amongst the students. On this occasion an essay competition, poetry competition and poster competition was organized. Students actively participated in this event and received ranks for their best submissions.

International Minority Day was celebrated on 20th December, 2021. The main aim was to develop as sense on inclusion for minority classes amongst the students which would fill the gap between the major and minor class and shall promote constructive work for Nation building. A seminar to that effect was organized wherein students were made aware of the various schemes run by State and Central Government to promote education, skills, empowerment etc amongst the minority classes.

Marathi Language Pride Day was celebrated on 27th February, 2022 to promote the use and spread of regional and state language amongst the students. The aim was to include the language in the mainstream and promote its spread amongst tribal students. Promotion of the language will help the students to understand their subjects more effectively. An invited talk on "Reading Culture was delivered by retired Professor on Marathi of the college.
