MENTORING REPORT and ATR

NAME OF FACULTY (MENTOR): DR. VAJIH ASHHAR

DEPARTMENT: MMSS

DESSIGNATION: Assistant Professor in Psychology

NUMBER OF MENTEE ALLOTTED: 30

GROUP: AG-06

BRIEF REPORT OF MENTORING

For the Academic year 2020-2021, a total of 30 students from FYBA was allotted as mentees under my mentoring. Due to COVID-19 restriction there was a limited personal contact with the mentees in first half of the session. The first session was conducted through contacting mentees telephonically and basic information was collected. A brief introduction about the Mentor-Mentee program was given.

Mentees were asked about their interest, hobbies, study habits and career goals. Most of the students were yet to decide their career goals and some showed confusion in selecting a career line. Each mentee was given a task of searching about career opportunities through internet, news-papers and discussion with seniors and other faculty members. Most of the students were able to set their career goals till third session.

Personal contact with mentees was established in the month of December when students were allowed to come to the college and offline lectures were started. A brief introduction of college and different facilities, committees was given to them. A firsthand knowledge of mentees interest ability and aptitude was obtained with the help of psychometric test such as Study Habit Inventory, Personality Test etc available in the department.

During interactions some issues were raised by the students which were resolved through discussion with Hon. Principal, IQAC, HOD's and office administration. ATR of the issues resolved are as under,

Sr. No	Issue	Action Taken
1	Extending Library Timing and Book Quota.	Issue was discussed with Principal and Librarian. Library was opened for students for extended time.
2	Scholarship Process Guidance	Discussion on this issue was done with concern administrative staff and telephonic guidance on online filling of scholarship form was organized through mentors.
3	Online Examinations	Three member Online Exam Guidance Committee was formed which coordinated with University Exam Cell and students. Quieres were resolved through MOCK Test and Telephonic Guidance.
