6.5.1_IQAC initiative Report for quality initiative including two best practices

In the pursuance for quality assurance, quality up-gradation, assessment and accreditation, and Institutionalization, the college has established the Internal Quality Assurance Cell. IQAC has become valuable in suggesting a number of quality improvement measures in the college. It plays a catalytic role in the quality improvement of the college.

The two examples of practices institutionalized as a result of IQAC initiatives are given as under:

1) ICT enabled pedagogy, administration and documentation:

To cope up with the changing world scenario IQAC has always advocated use of ICT in almost every process of the college. The IQAC has motivated its faculty members to adapt as per changing technological scenario. IQAC has promoted teaching and support staff to undergo training for capacity building. During the last year many faculty members have attended Online FDP/RC/OC/Induction programs that has helped enhance their technical expertise. The college has 8 ICT classrooms in order to conduct ICT enabled lectures. Teachers and students use various e-resources for the effective teaching-learning experience. IQAC shouldered the responsibility of designing and upgrading of the college website from static to dynamic.

2) E – governance in finance and administration

All the areas of governance such as Administration, Exam, Finance etc. have incorporated ICT. College has online admission system. During the unprecedented times of COVID-19 lockdown this online admission and administration process proved immensely beneficial for all the stakeholders. IQAC collects all the necessary data through MASTERS SOFTWARE, emails, google forms, etc. IQAC has adopted the paperless policy and we are trying our best to become 100% paperless office. IQAC has conducted number of meetings on ZOOM/STREAMYARD.
